1/The 1939 price and value figures are preliminary.

The season average prices include unredeemed loan wheat at average loan value. The crop marketing season is June 1 to May 31 for Kansas, North Carolina, South Carolina, Georgia, Alabama, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California; July 1 to June 30 for all other States. Value of "all wheat" differs slightly from sum of wheat by kinds due to rounding of "all wheat" price.

The values shown are for the marketing season or crop year and should not be confused with calendar year income.
